tool:

lacquer

DMM/ mother stamper

recut:

yes

no

sides:

cut date:

---

**How to fill in this form:**

- Fill in this form and make sure it's attached to the OUTSIDE of your parcel
- Please write down the catalogue number in exactly the same appearance as put on the purchase order. Otherwise we can't guarantee to match the cut with the final order.
- Please fill in one form per release. If you are packing two or three jobs in one box attach the form accordingly twice or three times – one for EACH release. If the release spreads out over more than one box, each box needs to contain a label. Please describe the sides like this: A/B or A/B/C/D etc.
- The date stated should be the day when the lacquer/ DMM or mother was produced.
